**PRESS RELEASE**

**APPROVED FEES FOR SENIOR HIGH / TECHNICAL SCHOOLS FOR 2014 / 2015  
ACADEMIC YEAR**

The Ministry of Education would like to inform all stakeholders in the education sector, especially at the pre-tertiary level that the Ghana Education Service (GES) in consultation with the GES Council and other partners has approved fees for Senior High/Technical Schools for the 2014/2015 academic year.

It must however be noted, that the approved fees do not include approved PTA levies for schools. The total fees payable by each student must include the approved levy.

Heads of Institutions are advised not to include any levies which are **not approved** by the Director-General of the Ghana Education Service. Concerns raised by parents/guardians about such illegal fees will attract severe sanctions for Heads.

**All Heads are, therefore, entreated to ensure strict compliance to the approved fees.**

Please find attached the approved fees for the 2014/2015 academic year.

*Signed*
